

**IMPORTANT REQUIREMENTS
OF THE
NEW YORK STATE
WORKER'S COMPENSATION BOARD**

Effective 12/01/2003

Any contractor or homeowner applying for a license, contract or permit (building permit, sidewalk permit, etc.) must provide one of the following:

- A copy of a current Certificate of Workers' Compensation Insurance (U-26.3 or GSI-105.2 Form – Provided thru your insurance company), OR
- Affidavit that no insurance coverage is required. (SC/DB-100 Form – Provided thru New York State and available here), OR
- Affidavit of Exemption to Show Specific Proof of Workers' Compensation Insurance. This pertains if you are obtaining a permit for your own "Owner-Occupied" property. (BP-1 Form – Provided thru New York State and available here.)
